

To Whom It May Concern,

We have or will be receiving records from you and/or your firm that we would like to add to our online Plat Index.

We have found that providing these records is a great benefit for the community by allowing future surveyors to follow in the footsteps and perpetuate the findings and determinations made there on.

When the user activates the use of the Plat Index they receive a Disclaimer-Indemnification Notice. This notice clearly states that MCDOT and its affiliates/contributor's assume no responsibility arising from the use of this information. It goes on to state that the data and maps are provided without warranty or guarantee of any kind, either expressed or implied.

By signing below you are giving Maricopa County the permission to scan, index and make available to the public these records.

Thank You!
